Dear «CIVILITÉ» «DIRECTION»

Being an artist in Contemporary Art, I take the liberty of asking your help to create my new work which will be added to the «Maintenance» section of the Non-Object Catalog, in the tiny work category, under the Nber:

**Pièce «N1»/mois/année**

For this purpose, would you kindly take the feather duster which is in the parcel you have received, and gently dust the frame of «Peintre»'s painting, entitled «Nom\_du\_tableau». When this is done, I would very much appreciate your returning to me the feather duster in the stamped envelope also enclosed in the parcel.

Looking forward to receiving these few specks of dust, I remain,  
«CIVILITÉ» «DIRECTION»,

sincerely yours,

OLIVIER BORNEYVSKI
