Dear Mr. Borneyvski,

Regarding your letters sent in February, March, April, and May, we have not received any mailing containing information about the mentioned "Non-Object" from your "Non-Collections" work.

As you may know, the Museum of Contemporary Art San Diego does not accept artwork. If you would like to be considered for acquisition or exhibition, please submit a formal proposal following our guidelines. Guidelines can be found on our website at www.mcasd.org. I have also included a copy in this mailing.

Thank you for contacting the Museum of Contemporary Art San Diego. Please feel free to contact me if you have any questions.

Sincerely,
